

11th January, 2021

Dear Parents and Carers,

We would like to thank you all for your support during these difficult times and we appreciate adjusting to home learning can take time. We will be continuously reviewing and refining our remote learning offer as a means to deliver our curriculum in these challenging times. We continue to plan to align with our classroom-based offer and with this in mind our new remote learning arrangements will start from tomorrow, Tuesday 12th January 2021. We look forward to 'seeing' our children take part in these offers. Staff will continue to monitor and support our remote learning offer with regular phone calls. Staff will also provide regular feedback and respond to ongoing learning needs.

Please see the current remote learning offer attached which we are rolling out this week. Please be assured we are continuously updating and developing our offer and we will seek to keep you regularly updated via letters, updates on Seesaw and on our website.

Access to devices can also be challenging so do contact our main office (01422 374863) if support is needed. We are always available for any IT support or guidance.

We are all in this together and you are all doing an amazing job and we do so very much appreciate all your support. As always, we are here to support you all we can.

Kind regards,

A M Deighton
