**Bowling Green Academy – parents and community welcome**

Dear Parents, Carers, Community Members and Friends at Bowling Green Academy,

The Trust board members, core Trust team and all the staff across our academies and designations would today like to officially welcome you into our Trust. We have already been working together for over a year and more intensively in the last few months with the support of our experienced Headteachers, Mr Andrew Midgley and Mrs Fiona Gardiner. The Trust board has been impressed by the way the community and staff has pulled together, seeing positive developments alongside safe operating in these COVID-19 challenging times.

Recently we have appreciated the positive responses from all the staff, children and parents to our Trust-funded Seesaw communication platform and are delighted to hear of the fund-raising efforts to further support resources to support this. The [new Trust website for Bowling Green](#) has also been a priority to ensure communication with stakeholders continues to be enhanced. We thank you all for your support, engagement and encouragement in these communication developments.

Trust networks exist for areas of development across our academies including enhancing subject curriculum projects, joint school competitions and connecting schools across differing localities to learn from and with each other. We look forward to sharing future news and activities in the months and years to come as we seek to emerge positively from these difficult times.

We hope you, your families and loved ones are all safe and well, and remain so over the coming months. We look forward to meeting you all very soon.

Kindest regards,

Carlton Midgley, Chair of the Trust

Amanda Bennett, Chief Executive Officer

Amanda Rawson, Chief Finance Officer

Jayne Firth, Chief Operations Officer
