**Bowling Green Values**

Dear Parents and Carers,

Thank you for participating in our recent 'wordle' survey by contributing words and phrases you would like to see children at Bowling Green have.

The results are below (you may wish to zoom in!):

I am sure you will agree with me that this is an amazing 'snapshot' of what our whole community – families, staff and Governors – want for our children. It has really been heart-warming to see this as a completed poster. Interestingly, the children I have completed a similar activity with had comparable responses, too.

The next question is what do we do with these words. I am hoping to narrow overall themes and ideas from everyone's responses into a smaller number of values, which will be key for us as a school moving forwards. Watch this space – and wish me luck!

All the best,

Jamie Stuttard
