

2<sup>nd</sup> November 2021

## Year 6 update

Hello, Parents, Carers and Children,

I hope you all had a great half term break.

I have spoken to Mrs Mellor a couple of times over the past few days and she would like me to tell you that she has received a positive result for COVID-19. She is feeling a little unwell but slightly better today, which is great news. Her isolation finishes on Tuesday 9th November so we will keep you updated about her return. I am certainly looking forward to seeing her! Public Health has advised that we continue to support the class as a 'bubble' to restrict any possible transmission of the virus following multiple positive cases recently.

We have managed to secure the same teacher throughout and the children will continue to learn through resources prepared by our Senior Leadership Team in school (I know the children are all desperate to continue their 'Cogheart' book - Mrs Mellor is excited to pick that up when she returns!). Mrs Eatherley and Miss Bick will be consistent members of staff in class, too - to continue interventions, support and be familiar, friendly faces.

This week, PE will be on Thursday and swimming on Friday is set to go ahead as usual. The Spooky Disco will be postponed again to Thursday 11th November - Mrs Mellor, Mrs Deighton and I all want to play games, eat treats and dance with you! More details to follow...

I am sure you all join me in sending your best wishes to Mrs Mellor. Please do not hesitate to get in touch if you have any further questions.

Yours sincerely,

Jamie Stuttard

Principal
