Ambassadors at Bowling Green

Dear Parents and Carers,

You may have heard that we are searching for some Bowling Green Ambassadors to further enhance and promote our KITE Values across school. This was introduced in assembly to our children yesterday to much excitement! Our Ambassador children will be a Bowling Green version of a School Council – linked closely to the values chosen by children, families, staff and Governors at our school. Ambassadors for each KITE Value will have different roles in our school and can be from any class.

Our KITE Values are:

KINDNESS

INDEPENDENCE

TENACITY

ENJOYMENT

Children have been shown the sheets of paper to complete if they are interested in becoming an Ambassador at school. Younger children may want to draw a picture and add labels of how they have demonstrated a value; older children may prefer to write how they are the perfect Bowling Green Ambassador. The attached prompt sheets are in each classroom around school and can be collected to complete at home. We would like for the sheets to be returned into school by **Friday 4th February**.

I know and have seen these four values demonstrated by all our children in our wonderful school – many of our children display all our KITE Values in abundance. As a staff team, we are excited to see how the children showcase these values, and to develop these values further in all our children and across our school community.
