Celebrating successes!

Dear Parents, Carers and Children,

As you will know, the 'E' in our KITE Values stands for Enjoyment. We want children to enjoy school and be enthusiastic about new learning opportunities across the curriculum and beyond. Our upcoming Enjoyment Ambassadors will help to support this throughout school.

You will also know, and as I learned quickly, that we have lots of amazing children here at Bowling Green Academy. This 'amazing' stretches far and wide, across a plethora of different interests and hobbies; gifts and talents. We want to celebrate our children and shout loudly about their successes.

We have a new display board in a prominent position in school to celebrate our children's achievements – from swimming to cricket (well done, Sam and Joe, our recently selected cricket superstars selected to play for Halifax's Under 11s taverners team!), from fundraising to musical instruments, and from activism to cheerleading. Please either bring into school children's trophies and certificates, or send in a photo at an event or of a success via SeeSaw.

We are all looking forward to hearing more about – and celebrating – our children's talents that they enjoy and thrive in.

Yours sincerely,

Jamie Stuttard,
Principal
