

9th September 2022

Extra-curricular clubs

Dear Parent / Carer,

Towards the end of last academic year, our [Parent and Carer survey](#) was incredibly positive across a range of areas of school life, including teaching, our curriculum, behaviour and safeguarding, which we were all delighted about. While the majority of responses were pleased with our extra-curricular offer, some commented about increasing our additional provision. As such, we have several new clubs this half term.

Today, the children (Years 2 – 6) has a special assembly from **Jumping Clay**, a fun arts and crafts group where children can take home their masterpieces. A paper letter will be sent to families tonight to sign up for that group.

We also have **Northern Arts Factory** running a Performing Arts Club, which mixes performance, drama and dance.

Mr Smith from **Sports Cool** will continue to run his clubs, this term focusing on **Archery, Multi-Sports** and – following the amazing successes of the Lionesses over summer – a **Girls' Football Club**. To encourage children's participation in sports and healthy lifestyles, we are offering these clubs **free of charge**. Sports Club will also be running three lunchtime clubs for all our children to engage with (no registration required).

Our club timetable for this half term is below:

	Clubs / Activities	
Monday		
Tuesday	Performing Arts Key Stage 2 (from 20 th September)	Archery Key Stage 2 (from 13 th September)
Wednesday		Multi-Sports Key Stage 1 (from 14 th September)
Thursday		
Friday	Jumping Clay Year 2 – Year 6 (from 16 th September)	Girls' Football Club Year 2 – Year 6 (from 16 th September)

To register your child(ren) for these clubs, please sign up (and pay, if required) [via Arbor](#). For Jumping Clay, the paper-based information sheet has registration details.

I am thrilled we are increasing our range of clubs available to children, and this will continue throughout the year to incorporate more skills and hobbies, and to allow more children to join in. Please do let either myself or Mrs Deighton know if you know any school-based activity groups who may like to run a club at Bowling Green Academy.

Yours sincerely,

Principal
