**‘People Power’ – petition for a shelter**

Dear Parent / Carer,

Last week, two exemplary Year 6 girls came to me - unannounced - to share a petition that they had made to 'update and improve' our covered playground shelter. I thought it was a fantastic use of initiative and 'people power'. As a result, we have had two quotes for the necessary works to create something similar to the photographs below.

However (a **big** however), the work is expensive!

Together, we are asking if anyone linked to school may know anyone who could help us out – a joiner, a carpenter or a Euromillions winner maybe?

Please do get in touch if you know anyone who may be able to provide a quote or support in any way.

Yours sincerely,
