From Hello to Hallo-ween!

We have reached the end of our first half term of this academic year and what a fantastic term it has been! All our children have 'stepped up' to the raised expectations of their new classes and our wonderful Reception children already feel like part of the furniture after settling in so well to life at Bowling Green Academy.

In Year 1, our children have been creating musical masterpieces by exploring high and low pitch. In Year 2, in Science, children have been learning about healthy diets and making delicious snacks. Their learning has certainly made me think twice about how much sugar is in tomato ketchup! Still on Science, Year 3 have been learning about the muscular system, including making models of our biceps and triceps, and Year 6 have learning about the circulatory system – including making blood! In Year 4, children's Design and Technology lessons have focused on making pavilions, while in Year 5, the children have been designing inventive headwear. In both classes, their designed, created and evaluated pieces have 'wowed' everyone in school.

Other exciting events this half term have been our très bien French afternoon and our extremely positive 'Hello Yellow Day' to focus on wellbeing and our October assembly focus on Black History Month. Our Halloween Disco was, as always, a fun and frightful night!

Paying our respects

This half term our children and staff were saddened by the passing of Queen Elizabeth II. We opened our doors to the local community to complete our Bowling Green Book of Condolence.

Online Safety

As part of our focus on wellbeing this term, we have focused a lot on how children can stay safe online. They should be very familiar with this poster, which contains lots of child-friendly internet 'top tips'.

Online, remember to be **SMART** and to be **kind**.

S Stay Safe
Don't give out your personal information to people / places you don't know.

M Don't Meet Up
Meeting someone you have only been in touch with online can be dangerous. Always check with an adult you trust.

A Accepting Files
Accepting emails, files, pictures or texts from people you don't know can cause problems.

R Reliable?
Check information before you believe it. Is the person or website telling the truth?

T Tell Someone
Tell an adult if someone or something makes you feel worried or uncomfortable.
