

12th September 2023

Dear Parents, Carers and Children,

My name is Mr. Sargerson and this letter is just a little introduction about myself and to touch base with parents and carers. Since the start of this term, I am the new Sports Coordinator for both Bowling Green and West Vale Academy. I excited to get to know the children and work to develop inter-sport competitions and sports activities across schools within Calderdale.

I have a strong passion towards developing the youth through sports and exercise, as I truly believe it can help create strong positive characteristics, but also it can open new pathways and skills for future life. Therefore, my aim is to further develop sports teaching in both schools and increase school's involvement in local sports events, community teams and to encourage the children to become more active.

For the past seven years, I have been teaching and coaching physical education and various sports for several organisations, from Hull to South Wales and now within West Yorkshire. I am also currently part of the coaching staff for the Huddersfield Giants U16s Scholarship programme and have been for the past three years.

I have a keen interest in sports and I am excited to be working across both schools to enhance this provision further. I am looking forward to meeting families over the course of the year and I am happy to answer any questions that may occur.

Brandon Sargerson

Sports Coordinator
